Related subject: Weston super Mare Uphill ward

As one of the councillors for Uphill ward I have previously submitted my view about a change of name for the ward, because Uphill only refers to a small part of the ward - that is Uphill Village, and people living on the Coronation, Bleadon Hill, Oldmixon and the roads off Devonshire Road do not see themselves as living in Uphill. My suggestion of Weston super Mare West ward was designed to cover all the areas of the ward, but I understand the issues with compass point names. As a result I would like to make a new suggestion to rename the ward to Weston super Mare Windwhistle. A local historian has informed me that Windwhistle Lane is an ancient trackway which cuts through Bournville, skirts the Great Uphill Rhyne at the northern end of the Coronation Estate and leads to Cold Harbour Lane (a Roman track across the golf course) where it meets the Uphill Road.
