

Epping Forest District Council

Personal Details:

Name: Cllr Gavin Chambers

E-mail:

Postcode:

Organisation Name:

Comment text:

This boundary should not change in anyway with perhaps the exceptions of taking on a few extra streets from Loughton Roding. However any change in this ward and Loughton. Roding would look like Gerrymandering. With regards to the Buckhurst Hill West you could loose Beech lane and Beech avenue into Redbridge to stop the constant refuse blockage problems . I would also encourage the whole of Knighton Lane to be put into Epping forest to balance things out .
