Related subject: keeping The Elms in Wraxall and Failand ward.

I live on the Elms and enjoy walking across fields, woodlands and paths in Wraxall and Failand. I chose to live in a semi rural area for my wellbeing and enjoy the community that Belmont Farm have created to support nature and re wilding.
I vote in a building next to All Saints Church and believe that living and voting in the Long Ashton ward provides me with more effective representation per councillor and maintains electoral equality.
The Elms community have previously completed a community governance review and there was an overwheming response to remain in Wraxall and Failand Parish Council.
