Moving the Elms to Nailsea will affect the residents as follows:
1. The council charge /tax will increase by nearly £50.
2. The house values may be adversely affected.
3. The remaining council area may be effected by the reduction of numbers.
4. At a time of lack of money such wasteful expenditure is not welcome especially if changes lead to “Avon County2.0”
5. Nailsea’s suggestion the Elms residents use Nailsea facilities is over stated as many will use FREE parking at eg.Backwell post office and doctors.
