Comment text:

I very very strongly support the Elms where I live to remain within the Long Ashton ward.
Nailsea DOES NOT reflect the community identity I like.
Nailsea does not provide a good high street. I shop in Portishead.
Its easy being part of Wraxall as we have similar ideas. It would be confusing being of of Nailsea who do not generally have the same ideas as people on the Elms.
Policies would be very different if joined with Nailsea and Elms would be in the minority and would always be out voted.
Everything works well as it us so there is no need to change anything.
THE ELMS NEEDS TO STAY WITH FAILAND
