Related subject: Boundary Consultation re. The Elms, Wraxall

I do not support the Draft Recommendation that The Elms area of Wraxall & Failand should be included within the Nailsea ward.This would mean representation by one less councillor for those in the existing Wraxall and Failand boundary. I feel that the LGBCE have not given due consideration to the fact that the original Draft Recommendation proposed by Nailsea Town Council was completely overturned by the public response. Many of those who responded have both historic and present day ties to Wraxall and Failand. It appears to me that the present governance structure has worked perfectly well and there is therefore no need to change it.
