Related subject: The Elms area of Wraxall & Failand

Para 56 Draft recommendation is not supported and the ward boundary should remain as it is, with the Elms area staying in Wraxall & Failand within the Long Ashton Ward.
The Draft Recommendation goes directly against the principle of equality and harms our electoral equality by widening the number of electors that each councillor has against the average.
The Draft Recommendation adjustments adversely affect local community identity.
The Draft Recommendation proposed by LGBCE would force the Wraxall & Failand Parish from a unitary Ward into a dual Ward boundary; adding unnecessary confusion, complexity and diluting governance.
