Comment text:

Related subject: The Elms, Wraxall

We are opposed to the boundary changes to include The Elms in the Golden Valley Ward. Currently The Elms is well served by the Long Ashton Ward and their District Councillors. The Councillors understand the needs of our rural community and respond efficiently to residents and Wraxall and Failand Parish Council requirements. We feel that this would be lost if The Elms was absorbed by the Golden Valley Ward which is aligned with the urban area of Nailsea Town Council. 90% of the residents of The Elms have previously expressed their wish that the boundary should not to be changed to come under the control of Nailsea.
