I object strongly to the inclusion of of The Elms into Nailsea. I want The Elms to remain in the Long Ashton Ward and remain in the Wraxall and Failand Parish Council. I consider The Elms , where I have lived for 30 years, to be an intergalactic part of Wraxall and Failand. [redacted]f the original Wraxall and Failand Parish Plan which indicated a strong desire amongst the residents of The Elms to remain in W and F Parish.
