Related subject: Wraxall and Failand ward boundary consultation

I do not agree with the proposed boundary changes.I have lived in Wraxall for nearly 50 years. I enjoy its rural feel and that it is separate from Nailsea. I think that it is best that the Ward boundary stays as it is with the Elms area staying in Wraxall and Failand within the Long Ashton ward. I feel I have more connection with Long Ashton than Nailsea.
