This is long-desired opportunity to unite the town rather than have a part of it represented by Gerrards Cross Councilors. The ward to the South of the A40 in the Old Town should logically be part of Beaconsfield, especially as St Mary's, the town church, is there, as is the rugby club. In like vein it would also be sensible to transfer the northern ward, now part of Penn, to Beaconsfield, thus avoiding the current split across the Seeley's and Sandelswood, estates.
