Hello there. I see there's a plan to move a large part of Beaconsfield Old Town into the Gerrards Cross ward. It's a truly ridiculous idea, and an extraordinary thing to suggest in the first place. Beaconsfield Old Town is part of Beaconsfield (obviously) and should remain part of the Beaconsfield ward. Any dividing line should surely be on the A40 between Beaconsfield and Gerrards Cross, possibly near the quarry or the Crown Plaza. Why anyone would propose this is beyond me.
