Comment text:

I am not in agreement with increasing the number of Councillors at present if at all. Other than to meet statistics an increase would do no more than add to the costs of Councillors. With the massive Welborne development about to start on the northern edge of Fareham there will certainly be a need for re-evaluation as it completes. Possibly a small boundary adjustment between Fareham East, Portchester West and Portchester East which will require revision when Fareham North expands with the proposed several thousand new houses at Welborne.
