Personal Details:

Organisation Name:

Comment text:

1, The boundary between Fareham N and Fareham NW is clearly wrong as it cuts Thames Drive in half. The southern boundary of Fareham N should be the M27. Fareham NW should be extended north to the motorway and east to the A32, Whickham Road. 2. Winchester takes a big bight out of Fareham. Both Wickham and Whiteley are clearly connected to Fareham. not to far away Winchester. The nearest Secondary School, Supermarket, Library, Rail Station, Shopping Centre, Bus Station and Leisure Centre, to both of these districts, are in Fareham Borough. All three have Portsmouth Post Codes.
