

Fareham Borough Council

Personal Details:

Comment text:

I suspect with Welborne, that the population will increase by more than 2000 people. I think nearer 3500. "Community" in the northern half of Fareham North will be an unknown until Welborne is quite well developed. I would not see me or my neighbours going North of the M27. I think the M27 will split the Fareham North ward into 2 halves.
