

Fareham Borough Council

Personal Details:

Organisation Name:

Comment text:

I would like to see our councillors for each ward do more for their constituents. I live near Aldi, and the state of our roads is shocking regarding being kept well maintained kerb sides...I would also like to see our councillors do more to help regarding speeding drivers...I don't appreciate being fobbed off by my local councillor [REDACTED]...very rude and dismissive. It seems that only certain wards like Whiteley and Sarisbury Green actually have any investment...what can't the same be done for Fareham town centre? The town is dying due to a lack of investment and it's sad...
