Organisation Name:

Comment text:

Portsdown and Castle is too vague - the ward should still say Portchester perhaps "Portsdown and Portchester Castle" is better especially as the other half of the area is to be "Portchester Wicor". The name of the village needs to be retained for all residents to see. However, what is wrong with the way the Wards are named at the moment - it appears to be change for change sake - there is no real need for this!
