Comment text:

I have absolutely no desire to move from the Locks Heath ward to the Titchfield Common ward. I find it absurd that under the current proposal the "odd numbered houses on my road (Church Rd.) will move to the Titchfield Common ward while the even numbers will remain the Locks Heath ward. I am extremely happy with my local councillors Susan Bayford and Malcolm Daniells and indeed everything else in my current ward. I am very well represented at Fareham Borough Council by my local councillors and do not wish to be represented by anyone else. I also have a major objection to my local church "St. Johns" moving to a new ward. Everything works perfectly well as it is, so please do not try to fix something that is not broken.
