

East Hertfordshire District Council**Personal Details:****Organisation Name:****Comment text:**

The proposed boundaries massively increase BS south and the westerly boundaries. Hence allowing huge developments in Bishops Stortford, to allow developments on the outside of the bypass will be disastrous for residents, much more than we have seen to date. Bishops Stortford has had enough of developments and already ground works are progressing to the south of St James way without any permission as far as I can see. Southern boundaries should remain as existing.
