Comment text:

North Tyneside CLP support the submission made by North Tyneside council. In the following document <https://democracy.northtyneside.gov.uk/documents/s10152/Appendix%20A%20-%20LGBCE%20Submission%20on%20Warding%20Arrangements%20FINAL%2026%20October%202022.pdf> The only changes we would recommend would be the inclusion of the Fordley and Annitsford in the Weetslade ward. We strongly support Howdon being united in one ward and North Shields town centre being united in a single ward.
