

North Tyneside Borough Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

Comment text:

The Valley borough due to recent new housing developments in the last 15 years is now quite clearly too large to operate as a single borough that also takes in Backworth and Shiremoor. Due to the housing developments, and upcoming developments in the area, they should come under their own borough and councillor representation to ensure fairness and equality. The electorate figures for example are clearly higher than some of the boroughs near the coast.
