

Brentwood Borough Council

Personal Details:

Comment text:

I live in the village of Ingatestone. There is a strong Parish Council applying for the 'Gold Award' this year. I agree with creating a Ward for Ingatestone & Fryerning alone as it will then be co-terminus with the Ward in Brentwood Borough Council, and be able to give a clear mandate to the 3 Borough Councillors. We will have two tiers of local government representing the interest of the parishioners.
