### Comment text:

I feel strongly that Rusthall should remain a separate ward. We have our own strong identity with a school, library, community Cinema and Rusthall community Arts/ Claque Theatre .We have an arts festival every 2 years and put on community plays involving local residents who also help to devise the play. The community cinema is subsidized and is a hub for local people to meet and socialize as well as showing films selected by the local community and dealing with issues that affect them. Our local councillors live in the village so truly represent and know the needs within the village. So much of what makes Rusthall a community would be lost if we were to amalgamate with another ward.
