Subject: Proposed changes in electoral boundaries

Categories: Submissions

Dear Sir/Madam,

As the largest town in Warwickshire, it is quite correct that we need to have more electoral representatives. There is strong support for this given the outrageous building programme being inflicted on the local population.

On a personal note...I find it unacceptable that in living on the North side St Nicolas Park Estate we were shoved in as part of the Weddington area. We are not even by Weddington! I hope that this anomaly will be addressed in any changes to the wards.

Yours sincerely
