I reside at Aldock road, I think that your proposal to change the boundary is absolutely ludicrous. This is the old town are of stevenage not pin green and always will be. How dare you even put this forward, I mean who do you think you are?? How about we come to your area, and propose that we completely change your area, not your not affecting your house prices but your location for schooling etc.. I have lived in the old town area of stevenage my entire life.. if I wanted to live in pin green then I would live in pin green... what a joke!!!
