

Stevenage Borough Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

Comment text:

Why don't you join Old town and Woodfield. This clearly looks to me like Stevenage Borough Council trying to gain more votes by joining mostly conservative voter areas with labour areas, another council move to suit themselves rather than the electorste. Why split the old town areas and put with new town or Great Ashby. If you want bigger areas combine old town areas. Labour are at high risk of losing sometime in the future and this is to try and stop it.
