Have lived in the old town all my life and it has always been that Grace way is the boundary line between Pin green and Old Town and I can't see any reason why it should change .What you are trying to implement means that some of the oldest streets in Stevenage ie Alleyns rd , Haycrock rd , Hellards rd , Ellis Avenue plus many more will be called Pin Green area that is not acceptable.Please leave the Old Town as it is.Very disgruntled Old Towner.
