It is ridiculous that you are proposing either side of Walkern Road at the same point are being classed as different wards. The whole street should be kept within the same ward otherwise you'll end up being lost/forgotten in the system as nobody will know whose house fall under which councillors responsibility, and since those on the other side of the road are within metres of our house is makes sense! Also being categorised as pin green affects how our house is sold because it is currently in an in demand area whereas other areas may not have this reputation.
