Comment text:

Bulmershe and Whitegates Ward: Bulmershe ward is in Woodley and Whitegates is in Earley, so two different town councils. However, given the population, this is a good mix. To consider combining Whitegates with Sonning would be ludicrous and grossly unfair as Sonning is heavily Conservative and therefore biased against Whitegates. This is what currently happens with our current Conservative candidate. Similarly with Maiden Erleigh, Whitegates is too far distant and there is no overall link with the A329M and railway in between. I was a Lib Dem Borough Councillor for Bulmershe and Whitegates from [REDACTED] when I stood down.
