

## Wokingham Borough Council

### Personal Details:

Name:

Organisation Name:

### Comment text:

I do not think that the merging of Swallowfield Ward and Shinfield South Ward makes sense. These wards have very little in common. Swallowfield is very rural and dispersed and over the last 15 years Shinfield South has grown exponentially through new housing developments causing the villages to merge and the rural feel to completely disappear. Shinfield is now just another suburb of Reading whereas Swallowfield is largely still made up of farms and small villages.
