Comment text:

Symonds Green and Longmeadow could be split in two making north and south wards. Woodfield could be split in two making an east and west wards; the part of Woodfield to the north of St. Nicholas could be incorporated into St. Nicholas ward. Pin Green seems to overlap the southern end of the Old Town ward which should be removed to 'square off' the Old Town ward. Bedwell ward should not extend further south than Six Hills Way - this southern area could be combined with the Valley Way/sub-streets part of Shephall to make a new 'Monkswood' ward.
