Good Afternoon

At the full Council meeting of Sandhurst Town Council held on the 3<sup>rd</sup> September the members determined that the council should write to the Commission expressing Sandhurst Town Council's support for the submission being made by Bracknell Forest Council. In particular supporting the request to the Commission to see if there is a more sensitive and community identity based solution to the area around Avocet Crescent, Moray Avenue and Inverness way. We look forward to receiving the final recommendations on the 1<sup>st</sup> December.

Regards
