### Comment text:

This is not necessary .what is needs is a reduction to 1 councillor per ward .that no council should operate a cabinet system but a fully open one .that a councillor should serve 3 years and then stand down and a new person selected to serve .all allowances removed and a return to public service not financial gain .Full meetings of the council held weekly .with all attendance compulsory ..all meetings fully open to public scrutiny .and a designated person allowed to speak .
