I am a ward councillor on Ingleby Barwick East. I put forward the proposal for a North and South ward. People in Ingleby do not associate with East Ward or West ward and will not associate with the North or South. They DO ASSOCIATE with their village ie Beckfield BroomHill Lowfield Round Hill Sober Hall and The Rings. The proposal to split Round Hill between the North and The South wards to make them a little more evenly spread is ridiculous and MUST NOT happen. Leave the whole of Round Hill in the South ward.
