I feel that a large part of the Kearsley ward as it stands should be in the Farnworth ward. I feel the natural definition should be the a666. I live on Bradford Street which is at the moment in Kearsley ward but I don't have any connection to Kearsley. I truly believe I am in Farnworth. I shop there, I have worked there , I socialise there. Also I gave concerns over the Harper Green ward as it is at present. I do not think that the residents in great lever have any connection at all to the place which is predominantly in Farnworth. I think the natural boundary should be Doe Hey Brook. Also the ward Name of Harper Green should be changed to be more representative. For example there is an area known as Highfield in the Harper Green ward , thsts confusing. Maybe Farnworth North should be the ward name with the rest if Farnworth being Farnworth central?
