Comment text:

As a Member representing Cage Green ward in Tonbridge I wish to support the submission made by the Tonbridge & Malling Conservative Group particularly in relation to the proposals set out therein in relation to north Tonbridge. Amongst other features the residents in north Tonbridge regularly use the small shopping centres in York Parade and Martin Hardie Way respectively and it makes sense to coalesce new wards around them. Similar considerations arise in relation to the Cage Green/Longmead and Woodlands primary schools respectively. Other points that i would wish to make are addressed adequately in the Tonbridge & Malling Conservative Group submission. Mark Davis Tonbridge & Malling Borough Councillor Cage Green Ward.
