Comment text:

As a resident of Hollingbourne and a Parish Councilor, I do not wish to have our Ward merged with Lenham and Harreitsham. This is because it will be too big, geographically and any issues and concerns that we have in Hollingbourne Parish will be overshadowed by those in the larger communities of Lenham and Harrietsham. This is will have a detrimental effect on the voice of Hollingbourne residents and we will not be heard or receive due attention regards to our needs. This plan must be rejected.
