

Telford and Wrekin Borough Council

Personal Details:

Name: john latter

E-mail:

Postcode:

Organisation Name: wellington town council

Comment text:

I feel it would be good to combine the wards into a two councillor ward. Primary school age Children from both wards go to Shortwood school and then onto senior school at Ercall wood. AFC Telford football ground provide Term time Clubs and school Holiday activities which are accessed by Children from both wards. Adults from both wards also use the facilities at the Football club. The wards historically share roads and footpaths and Buses which leave Wellington Town centre share the same bus route through both wards. Both wards are multi-racial and a lot of people share the same Religious facilities and also the Arleston community centre is used by multi faith groups. There are similar amounts of deprivation within both wards.
