

## Telford and Wrekin Borough Council

### Personal Details:

**Name:** Patricia Beaumont

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

I suggest the boundaries stay as us present. The area serves a multicultural community with local community groups, churches, Hadley and Leegomery has the 2 centres which provides access to vulnerable groups, arts and crafts, walking groups and those for the elderly. The current boundaries have served us well, with good access to local councillors. The 2019, boundary decision has worked well and I would suggest that they stay the same.
