### Comment text:

Please keep Penn Parish as one Buckingham Council Ward of Penn, as it is now, helping us to protect the Parish's Green Belt and woodlands, ensuring it is understood by Bucks Council and represented by experienced Councillors with a real depth of knowledge, ensuring our village's voice is heard on issues such as rural road repairs, speed limits and parking, managing the impact on our Green Belt of new housing developments, and maintaining our close links to other Chiltern villages, which share similar issues.
