Comment text:

Altrincham and Bowdon Civic Society attended the Boundary Commission event and found it very helpful. The Society covers Altrincham, Bowdon and Broadheath wards and keeps a watching eye on the 2 Timperley wards. We have contacted all the relevant ward councillors but have received little input apart from Broadheath ward being far too big and Altrincham also. Timperley suffers from having major parts of Timperley in Broadheath and Hale Barns ward. This means residents are very often unaware of which ward they live in and who their ward councillors are. Altrincham has conservation areas and an adopted neighbourhood business plan which also encounters border difficulties with Hale central and Bowdon. Places for Everyone will mean increases in residents which need to be taken into consideration. We can comment in more detail when we see the next stage.
