

## Fenland District Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:** Parson Drove Amenities'95 Management Committee.

### Comment text:

I am writing on behalf of The Parson Drove Amenities '95 Management Committee, who at our meeting on 31st May agreed to note our objection to the proposed splitting of existing Parson Drove and Wisbech st Mary. As a committee we believe it will have a negative impact on our community we serve, especially splitting Parson Drove and Murrow, some of the committee live in Murrow. Many residents of Murro use the facilities and attend events such as coffee mornings. We also have a good working relationship with Murrow Village Hall Committee, who work with us to ensure events do not clash by good coordination. We have even alternated a monthly Quiz Night between the villages, which is attended by residents of both villages.
