Hi, I understand that there is a proposal to move our parish from Longdon to Ripple. I am concerned about the impact that this will have on our community. The pandemic has shown us that we should be reinforcing links with neighbours not adding distance. This also does not seem to align with the changes happening in health and social care which emphasise the importance of place. Ripple is not part of our local connection, Longdon is. Please could you consider this when making your decision. Thank you for taking the time to read my email. [REDACTED]
