**Categories:** [REDACTED]

To whom it may concern

As a resident of Queenhill I am writing to oppose the suggested changes to our boundaries. Queenhill has been part of the Longdon parish for 50 years and I can see no logical reasons for this to change. As a community we have no links to Ripple and are actually separated by the river Severn, whereas Longdon is less than 2 miles away.

Please consider all of the residents comments when making any decisions about our community.

Regards
