Dear Sirs -

I am writing to you concerning the review being undertaken about the number of councillors that should sit at Berchinghamshire Council.

Rather than pick a number out of the air, I would recommend you look at where examples of best practice exist and learn from their good example.

My inclination would be to favour a smaller rather than larger number of councillors (cost, space, obfuscation, etc.) but it's just my opinion and not based on

any hard facts or analysis.

I would urge you to approve this review as objectively as possible, and avoid listening to emotional points of view.

Yours sincerely,
