

Buckinghamshire Council

Personal Details:

[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]

Organisation Name:

Comment text:

I am concerned that since the formation of Buckinghamshire Council, my area, Wycombe Marsh has no voice as everything seems to be Council centre based, ie Biased towards Aylesbury and that end of the county. I live in an unparished area of High Wycombe so there is basically no structure between me and County Hall. No local democracy just a dictatorship from the centre feel.
