I am really pleased there is to be a boundary review and sincerely hope the boundary for Village Ward will be reconsidered. I live in Cherry Tree Close, TIMPERLEY. I have lived in TIMPERLEY for 24 years, my children went to Cloverlea school in TIMPERLEY and I have always shopped in Timperley Village, which is where my doctor , chemist , yoga group etc are. Yet for some strange reason the Boundary commission tells me I have to vote for a Hale Barns councillor. This makes no sense to me. In fact it incenses me. I only go to Hale Barns for a rare visit to Booth's. I have no links to Hale Barns. My community is TIMPERLEY, and the roads of houses around me are largely in TIMPERLEY or Village Wards. I have many local friends who feel the same, and many who simply don't believe me when I say that I live in Hale Barns ward ! Please please reconsider this anomaly. Looking at the map, the line at least seems more sensibly placed along Wood / Clay Lane at the very least - but there seems to be a much more natural border towards Grove lane or Old Meadow Lane. Here I can imagine people feel more a part of the Hale Barns community ? I appreciate you can't please everyone in these matters but I really do not comprehend the outline of Hale Barns taking in the indented block of roads right up to Shaftesbury Avenue. I do still cast my vote - but know of people that refuse to vote because of this.
