I'm only commenting on Clifford ward. I think that the boundary with Longford should extend all the way north up to the top of Seymour Grove instead of following Ayres Road, Northumberland Road and Stretford Road, so that Clifford includes Seymour Park and the areas round Humphrey and Stanley Road. I've never understood why the boundary is like it is currently, as Clifford covers most of the area regarded as 'Old Trafford' and the Seymour Park area currently in Longford is also thought of as Old Trafford by local people.
