Comment text:

I understand that there is a proposal to merge Ipsley into the Greenlands ward and separate it from Matchborough. I see no logic in this and only a downside for Ipsley Ipsley shares its , shops, bus routes, community centres, schools, dentist, doctors and much more with Matchborough. It shares nothing with Greenlands. What happens in Matchborough will always have an effect on Ipsley What happens in Greenlands has no associated response in Ipsley We need common representation for Ipsley and Matchborough if we, the residents, are to benefit in the long term
