### Comment text:

I want to register my opposition to the proposed Boundary Changes for the Parson Drove and Wisbech St Mary Ward. Having lived in Parson Drove all my life I feel these changes will have a bad impact on the villages, which have close ties, including family. I am [REDACTED] [REDACTED] at Parson Drove and we work closely with our neighbours in Murrow. There is a lot of crossover between the villages and this should be protected. I also attend the Remembrance Sunday events in both villages, and this demonstrates that there is a strong community link across the villages. Therefore, keep the existing ward as it is, to protect our communities and look after our area. Any change will result in poor outcomes for local government.
